Steps for equine adoption:

1. Return completed equine adoption application form and **written letter of recommendation** to farm manager. Someone familiar with your equine abilities should write the letter.
2. If a suitable animal becomes available, all qualified parties will be notified.
3. Make an appointment to come to Artemis Farm Rescue and interview with a staff member and meet the animals.
4. Schedule a home visit to be completed by a staff member at Artemis Farm Rescue to wherever the animal will be kept.
5. If potential adoptor and the staff at Artemis Farm Rescue are comfortable, the adoption is approved.
6. **Minimum donation of \$450 per mini is due upon adoption approval.** We strive to rescue and rehabilitate as many miniature horses and donkeys as we can, and provide them with the best care available. This is no small feat. Our expenses often exceed our monthly donations and this adoption donation helps us recoup some of our expenses and allows us to continue doing the work that we do.

*Pre-purchase exams by your veterinarian are encouraged, at your cost.

**All animals have negative Coggins, are fully vaccinated and wormed with regular farrier appointments every 6 – 8 weeks. The new owner will receive copies of the animal’s veterinary record.

****Artemis Farm Rescue reserves the right to make periodic, unannounced visits to ensure the grounds and overall health and wellbeing of adopted animal(s) are up to standard. If necessary, Artemis Farm Rescue reserves the right to repossess the animal(s) until problems are addressed and resolved.*
